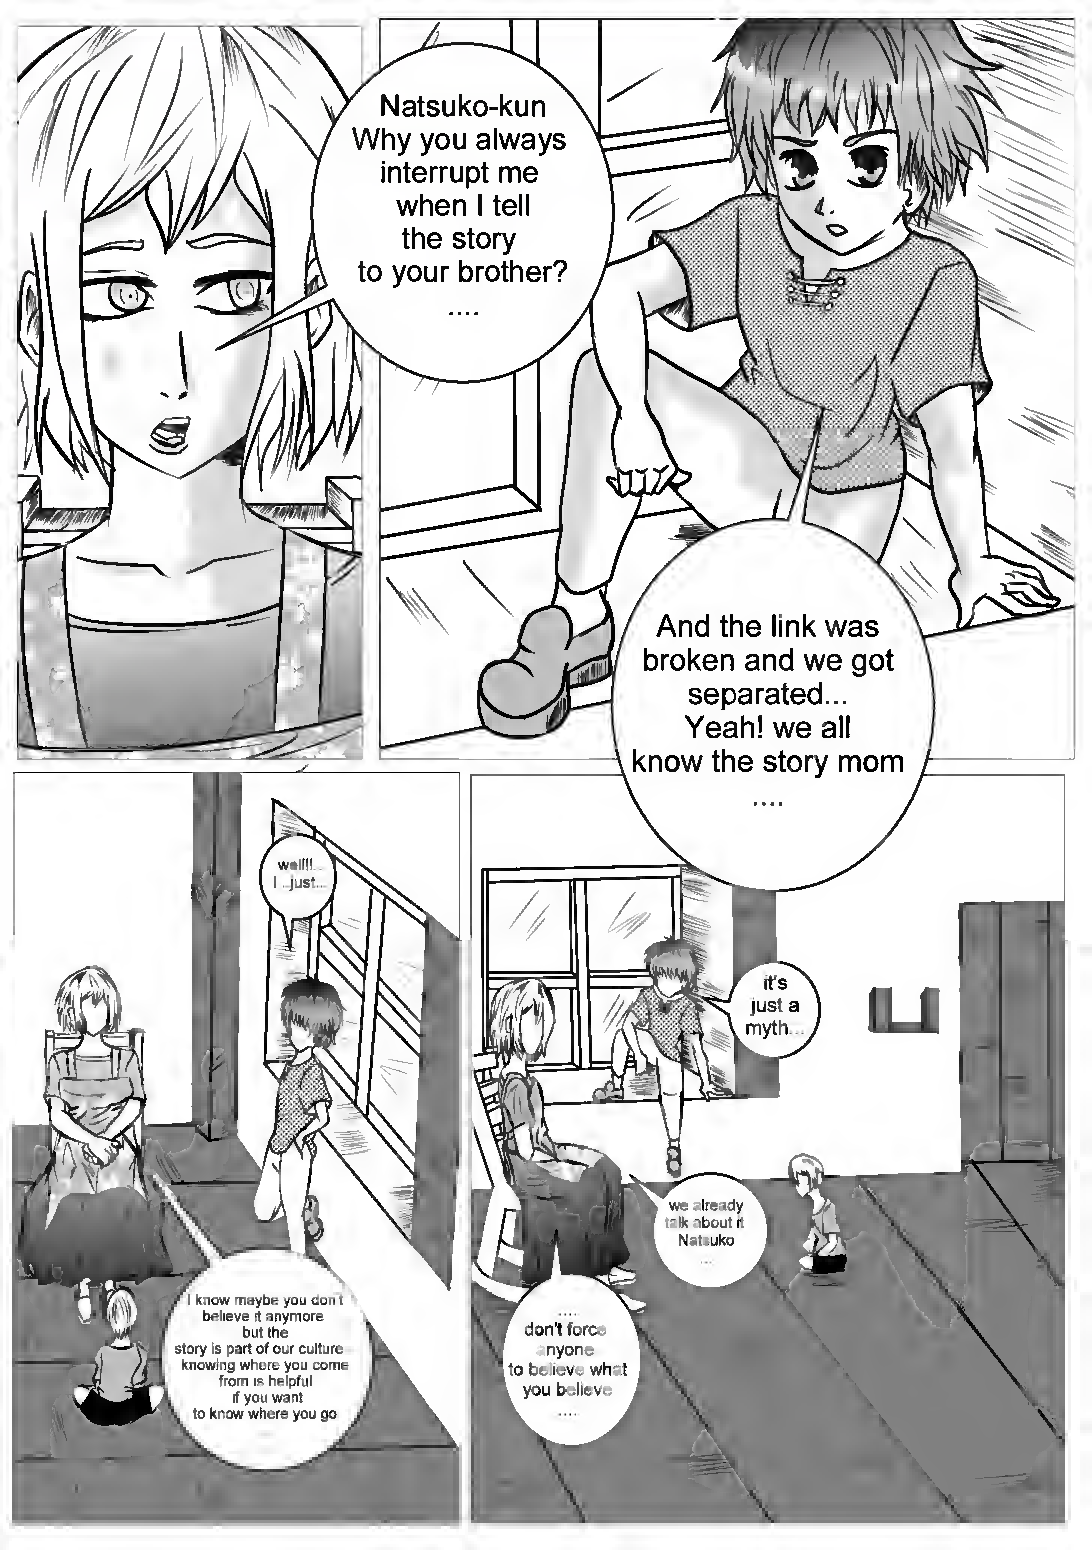
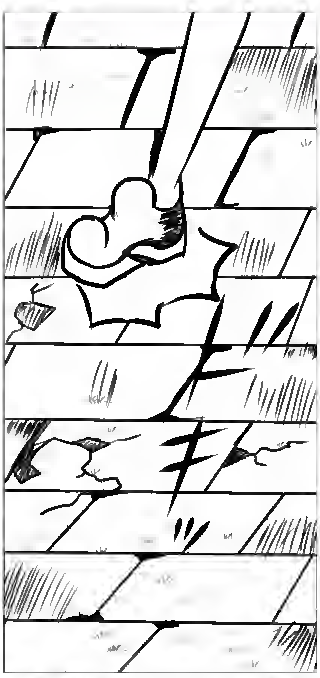
WATER
AIR
EARTH
FIRE
Long time ago,
the 4 elements were linked
each other and formed
one source for each of us.
we were invincible and
could defeat any evils
attacking our territory
...
The peace was in the heart
of people and we could all
live together....
but one day, the jealousy
and the dominance over others
was in the mind of each of
masters...



Natsuko-kun
Why you always
interrupt me
when I tell
the story
to your brother?
....
And the link was
broken and we got
separated...
Yeah! we all
know the story mom
....
it's
just a
myth...
we already
talk about it
Natsuko
....
don't force
anyone
to believe what
you believe
....
well!!
I...just...
I know maybe you don't
believe it anymore
but the
story is part of our culture
knowing where you come
from is helpful
if you want
to know where you go

THAT'S NOT TRUE...
I STILL BELIEVE THE 4 MASTERS WILL BORN AGAIN !!!!!!
well....
well! people don't believe it anymore!!
Seiko...
Seiko!!! wait....



WATCH OUT!!!!!!

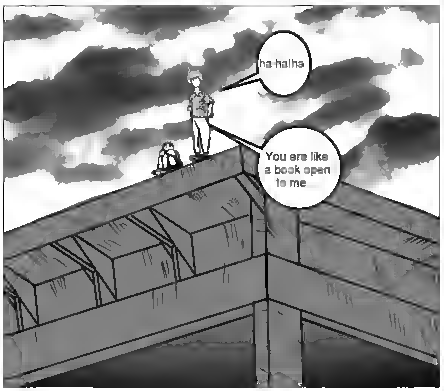
when you get trouble there is only one place you can be.....

It should be cool to meet other people ..

the true world is out there ....
I wonder how people to the other villages think or behave ...

How did you know I was here?

How my little brother doing . ?



ha-haha
You are like a book open to me

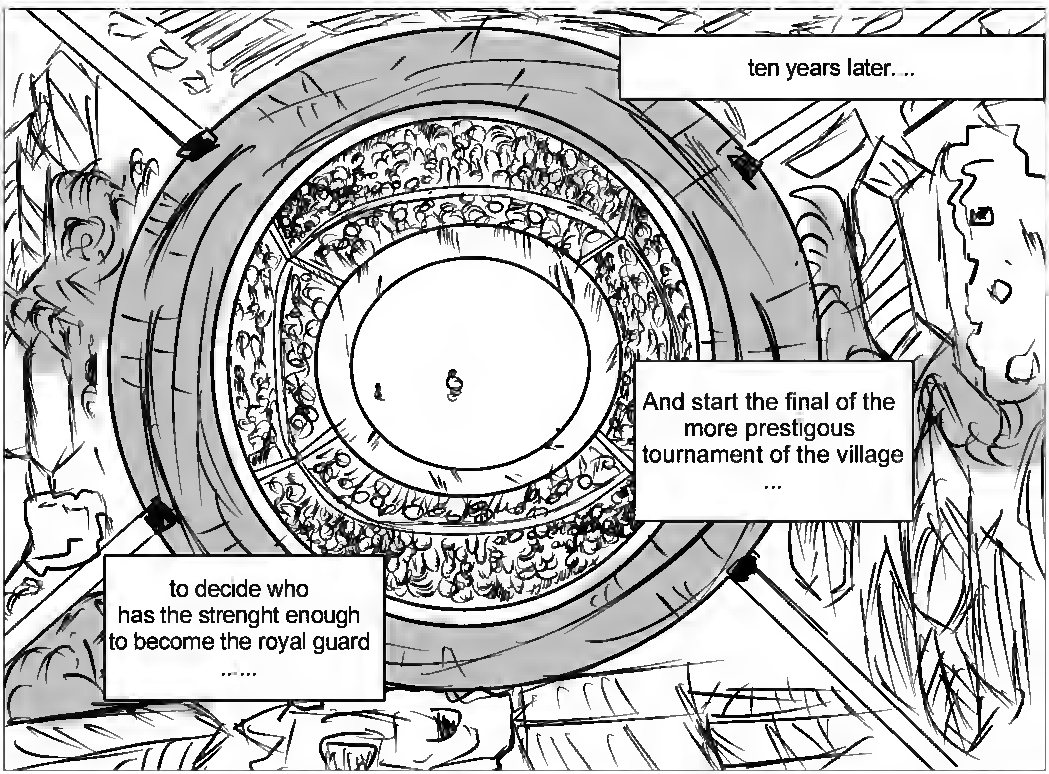
Isn't obvious?
....
If you want to see
the out world
the only place is to be
to
the higher place of the
village..
look out the
sky.....
Don't you think
is beautiful today?
....
.
.
.
.
.
.
.
.

But you said
It was just a myth
....
....
and you don't
believe it at all
Don't consider
what I said early...
It's not like
I believe in the
story or not...
It's just..
Yeah!
I said that
but sometimes
.....
people just say thing
they don't consider to..
let's believe to the
story of the 4
masters and see
if it will happen
So you believe to
the story of the 4
masters...?

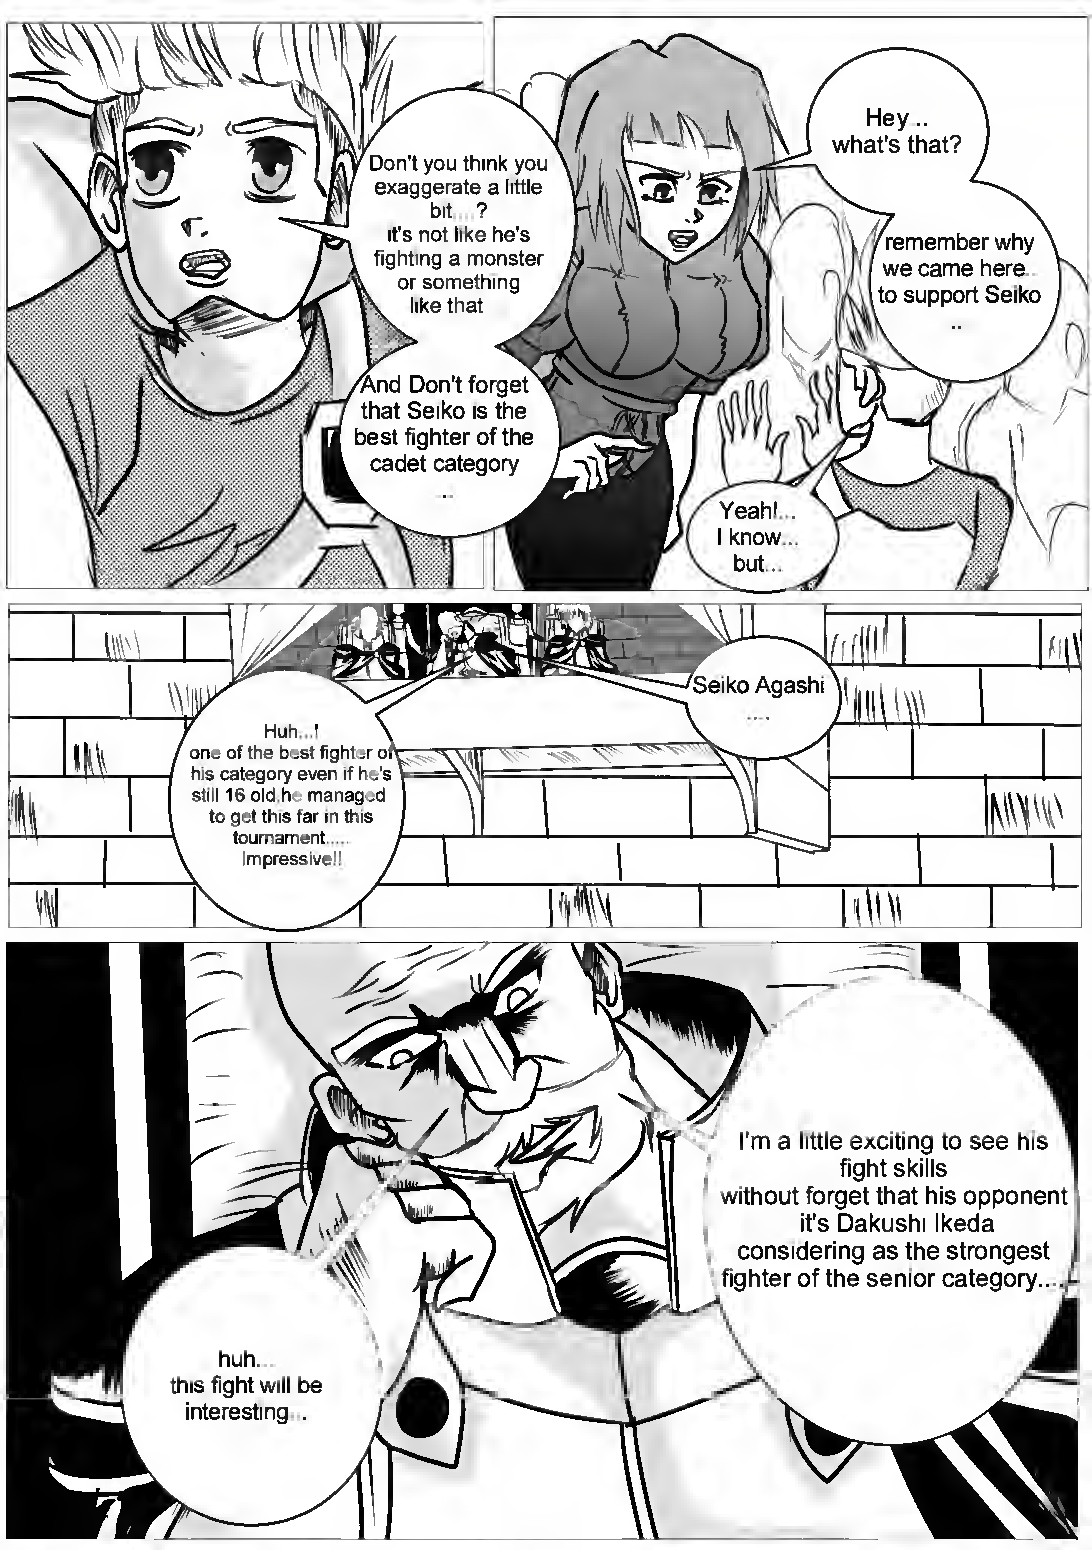
I BELIEVE IN MY LITTLE BORTHER THA'S ALL...!!

And one day I'm sure....

...you will be important to this village....



ten years later. ..
And start the final of the more prestigous tournament of the village ...
to decide who has the strenght enough to become the royal guard .....

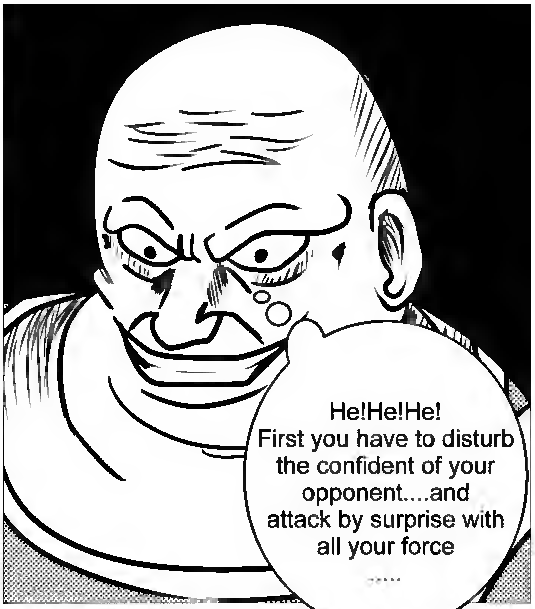


Don't you think you exaggerate a little bit...?
it's not like he's fighting a monster or something like that
And Don't forget that Seiko is the best fighter of the cadet category
..
Hey .. what's that?
remember why we came here.. to support Seiko ..
Yeah!... I know... but...
Seiko Agashi ....
Huh...! one of the best fighter of his category even if he's still 16 old,he managed to get this far in this tournament..... Impressive!!
I'm a little exciting to see his fight skills without forget that his opponent it's Dakushi Ikeda considering as the strongest fighter of the senior category....
huh... this fight will be interesting...

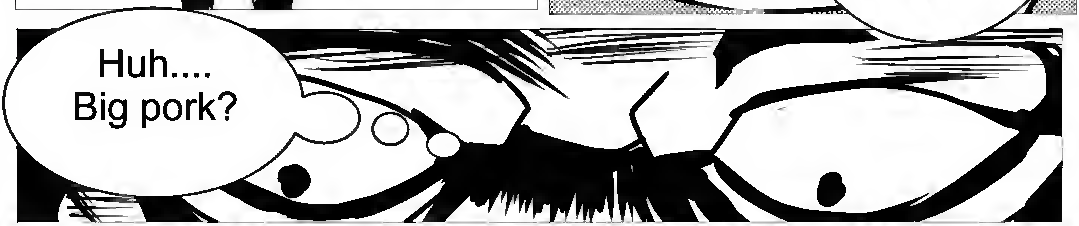
Don't you think
Natsuko Agashi?
.....

Well! Well!
what I see here...
there is a little boy lost
....
It's time for me
to show you
I have grow up
brother!
Don't you think
you are a little
young to this tournament?
Maybe you should go back
to the category that fit you
....

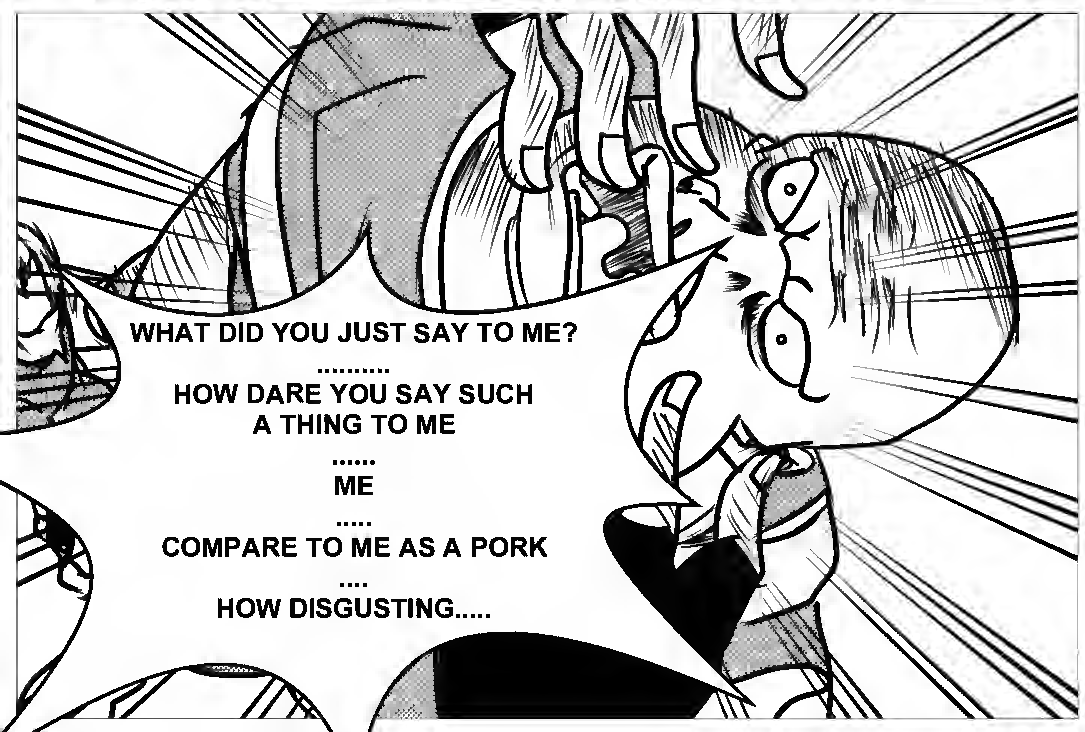
Who are you talking to...?
Big pork!!



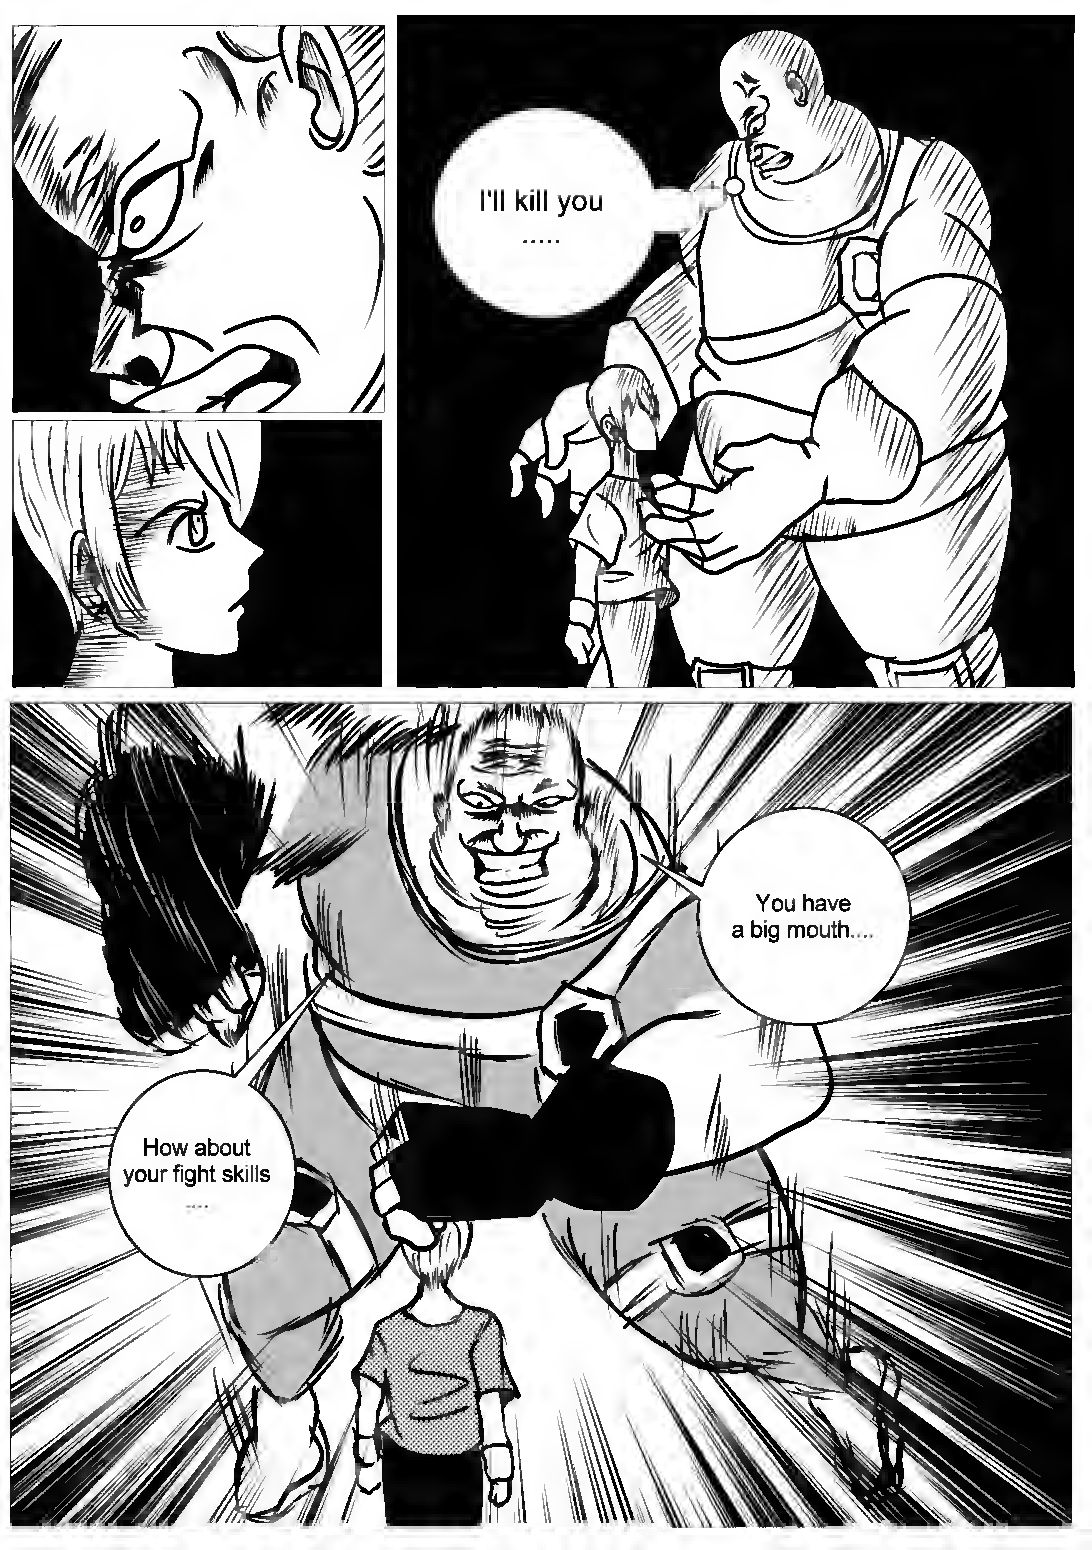
He!He!He!
First you have to disturb the confident of your opponent....and attack by surprise with all your force
.....



Huh....
Big pork?



WHAT DID YOU JUST SAY TO ME?
.....
HOW DARE YOU SAY SUCH A THING TO ME
.....
ME
.....
COMPARE TO ME AS A PORK
....
HOW DISGUSTING.....



I'll kill you
.....
You have
a big mouth....
How about
your fight skills
....

Seiko...

This bastard is fast....
You really think you could reach me with that king of attack ..
I see you have mastered the fire speed....
This technique is learned only in the senior category I have to admit I'm impressive...

I don't have the time to fuck around and speak to the quality or skills of each other....
This is just a step for me to reach my goal and it's not a big ass like you who can stop me
.....
Because I'm born to become
.....

One of the
4 masters!!
.....
